

## Round Portable Picnic Table with Diamond Pattern

**\$1,160.<sup>00</sup>**

### Product Description

This Round Portable Picnic Table with Diamond Pattern comes with four curved benches so eight people can sit down at once, but there's also the option to have either one or two of the benches removed so the overhang can be used by wheelchair users. It's easy to move around thanks to the hollow steel pipe design coupled with a diamond pattern on the surface which makes the structure sturdy but also lightweight. It's perfect for seasonal events and outdoor dining whether used in a cafe with outdoor seating, a school outdoor cafeteria eating area, or in any shared public space where people need a clean place to eat. It can also be used as an outdoor activity table or simply a place for walkers and runners to take a break and enjoy the view. The Round Portable Picnic Table with Diamond Pattern comes in more than a dozen color schemes so you can match it to your playground style.
