

Round Nexus Pedestal Table with Diamond Pattern

\$1,579.⁰⁰

Product Description

Looking for an ADA-compliant table where 2 families of four can sit comfortably? You may try putting the Round Nexus Pedestal Table with Diamond Pattern in your park. Whether it rains or hails, this table doesn't lose its finish for at least half a decade! Each seat on this table is a little wider than those on other models. This way, it allows for easy movement and does not make guests feel congested. Say goodbye to crowded tables and get the Round Nexus Pedestal Table with Diamond Pattern for convenient social gatherings. Manufacturers have kept the seats spaced adequately from the center to give enough legroom to each person. So, this table is ideal for hearty meals and long conversations. A diameter of 46 inches also makes it spacious enough for people of all sizes. Your visitors can also participate in different activities like arts & crafts at this durable, low-maintenance picnic table.
