Product Description

Has it ever happened that guests visited your park with kids and had trouble finding a sturdy table? Resolve this problem with the Round Nexus Pedestal Table with Perforated Steel. With ample space and a 23-inch radius, this sturdy table allows for happy birthdays and gatherings of all kinds. Durable and made with perforated steel, it features long beams supporting tables & seats. You may remove 1 to 2 seats to enhance its spaciousness. The overall structure of the Round Nexus Pedestal Table with Perforated Steel is fortified against bending. The steel construction helps promote healthy airflow. So, the table's surface stays cooler in warm weather. Also, it is weather-resistant. The coating on the Round Nexus Pedestal Table with Perforated Steel will protect it from rust & wear. Let visitors create long-lasting memories while enjoying quality family time sitting at this table. All in all, the Round Nexus Pedestal Table is both a stylish and practical choice for any outdoor setting.
