## Product Description

When it comes to kids who are always on the go, there are few better play structures than Alpharetta. This all-in-one play structure combines several different avenues of play to create a compact yet fun structure containing everything a kid needs to get active. Great for athletes and casual users alike, Alpharetta offers something for everyone. The Pebble Climbers offer an easy means to either reach the overhead climbers above, or to simply sit and rest for a bit. Meanwhile, the Overhead Straight Rung Horizontal Ladder enables children to utilize their upper body, swinging from rung to rung as they cross to the other side. In a similar way, the Overhead Straight Swinging Ring Ladder...
