

Meets National Standards for: ✓ ASTM F1487-17 ✓ CPSC Guidelines #325

Product Description

Galveston is a large play system that is designed to delight kids who love to climb as well as those who prefer slides. It has plenty of great climbers that can be used to access its upper platforms, such as the Vertical Ladder, Snake Climber, Pod Climber, and Pixel Climber. It also has two overhead climbers for more challenging climbing activity that focuses on upper body strength. The 270 Degree Overhead Rung Ladder is a particularly unique piece which forms a nearly complete loop, so that kids can complete it again and again as many times as they can handle. Galveston's slides are its biggest attraction. It has a huge straight Tube Slide and an even bigger Curved Tube Slide, which have an enclosed design that kids love. However, this structure has an even bigger slide attraction: its 76-inch Spiral Slide.

Product Specifications

Model Number: PKP217N

Age Range: 5-12 years

Child Capacity: 81-94

Fall Height: 84"

Post Diameter: 3.5-inch

Product Type: Quick Ship

Safety Zone: 43' 4" x 51' 7"

✓ **ADA Compliant**

Elevated

13 components

Ground Level
