

Meets National Standards for: ✓ ASTM F1487-17 ✓ CPSC Guidelines #325

Product Description

Keystone Crossing is a fortress of fun, packed with enough fun features to keep kids entertained for hours. The highlight of the structure is the twin pair of 6' tall Wave Slides. These provide great places to slide, and allow kids to challenge their friends to a race to the bottom. The two slides are connected by a Tube Bridge for a fun way to get from one to the other. There is also a smaller Right Turn Slide for children who want to start with something a little less thrilling. But this structure is more than just a collection of great slides. There is a Pod Climber and Snake Climber, which are both fun components which also offer a faster way to reach the two main slides. There is also a Pixel Climber for a unique climbing experience that leads up to the shorter slide. It even has a Plinko Panel and Wheel of Activity for even more activities that never get old. Keystone Crossing even has a Bench Panel, so that kids can take a break from the action without stepping away from the fun and friends.

Product Specifications

- Price:** \$20,086.⁰⁰
- Model Number:** PKP027P
- Age Range:** 5-12 years
- Child Capacity:** 25-32
- Fall Height:** 72"
- Post Diameter:** 3.5-inch
- Product Type:** Quick Ship
- Safety Zone:** 28' 1" x 36' 6"

✓ **ADA Compliant**
