

Meets National Standards for: ✓ ASTM F1487-17 ✓ CPSC Guidelines #325

Product Description

Jump into a safe and whimsical fortress of play with the Knoxville structure. Designed to accommodate children between six and 23 months, as well as older kids, this structure is great for a wide range of ages, interests, and ability levels. On the ground floor, children will engage with many charming pretend "sets" and activities, including a Drum Panel, Bench Panel, Elephant Crawl Through, a Store Panel, and a Car Panel, which all facilitate dramatic and creative play. Bordered by a metal barrier, elevated platforms feature a charming Ship's Wheel to encourage kids to imagine life on the high seas, as well as a Bubble Panel, Tic-Tac-Toe Panel, and Gear Panel with rotating shapes and levers. And the 12" elevated platform attaches to an incline Crawl Tube for extra active fun. ADA compliant and full of safe, engaging events, and a line roof provides plenty of shade on sunny days.
