

Meets National Standards for: ✓ ASTM F1487-17 ✓ CPSC Guidelines #325

### Product Description

"Everything's coming up roses" with the Rose Creek play structure. This sprawling and activity-packed playset is ideal for playgrounds, daycare centers, and schools hoping to make their outdoor space more engaging while entertaining large groups of children. It features a collection of stellar accessories, including problem-solving and dramatic-play panels like the Tic-Tac-Toe Panel and Ship's Wheel, with which kids will pretend to be masters of the high seas and infamous pirates. The play structure also includes lots of ground-level events, making the Rose Creek model a fabulous playset to cater to the needs of children of all ability levels. These ADA-compliant features include Bongos, a Single Drum, and a Store Panel, all of which encourage creative, interactive, and imaginative play. Climbing options include the Figure Climber and Pod Climber, which give access to the play set's platforms. And the Rose Creek boasts two slides: a Right Turn Slide and a Double Slide perfect for friendly racing matches. Other highlights include a Bubble Panel, Tube Bridge, and Transfer ...
