Product Description

Vibrant and dynamic, just like the setting sun, the Sunset Harbor playset is the perfect structure to foster active and imaginative development for children ages 5 to 12. Fun features of the Sunset Harbor play structure start with the vertical ladder leading to a horizontal ladder that children can climb across. They can also reach the main platform by way of the Pod Climber or stairs. On the ground level, a drum and rain wheel facilitate creative and social play for children of all ability levels and render the play structure ADA-compliant. A pyramid roof covering the wave slide platform provides much-appreciated shade and protection on hot and sunny days and gives children a place to cool off and catch their breath. The Sunset Harbor is available in a wide array of color options, including primary, neutral, and custom colors that let you personalize your play equipment to match any theme. The playset is constructed using heavy-duty plastic, sturdy powder-coated steel posts, and high-quality PVC-coated decks to ensure better footing. It also meets or exceeds all relev...
