### Product Description

The 16 Piece Premier Kids Gym Course can turn your playground into a huge obstacle course with the ability to train plenty of young athletes. With 16 different stations, there's not a single muscle group or fitness skill that this gym course doesn't help build. You've got obstacles that focus on grip and upper body strength and improve climbing skills, such as the Wavy Overhead Scaling Ladder, Single Vaulting Bar, Pull Up Climbing Ladder, Triple Uneven Agility Bars, Double Pole Climber, Single Rope Climber and Double Parallel Rock Climbing Wall. There's also a mini obstacle course in the form of Over Under Agility Course which demands conscious jumping, ducking, and sprinting and builds muscles and flexibility in the process. Kids can also master sit ups and build core strength in an easy way using the Straight Sit Up Bench. There's also a Pebble Balance Course which hones jumping and balancing skills. Kids will also enjoy maneuvering through the 5 Piece Agility Poles and crossing the Log Roll. Challenges and fitness opportunities are endless in this gym course.
