

Product Description

The Olympic Spirit Fitness Course comes with eight pieces of sturdy equipment that entertains cardio, strength training, and flexibility targets at the same time. No matter where you keep them, they will show no wear and tear for years to come. First off, there's the Station Country Skier and a Royal Double Station Rower to kick off the warmup session. People can gradually move to the Royal Double Station Chest Press to hit the chest and Royal Double Station Leg Press to feel the burn in their legs. Then, there's the famous Royal Double Station Sit Up Bench to flex the abdominal muscles. And don't forget the Royal Double Station Dip to train the upper body as a whole. For throwing in a little cardio in the mix, the Olympic Spirit Fitness Course has a Royal Double Station Fit Rider as well. Last but certainly not least, there's a Royal Double Station Lat Pulldown for building those ironclad back muscles.
