

Rectangular Portable Picnic Table with Diamond Pattern

\$961.⁰⁰

Product Description

When you need a sturdy outdoor seating solution that is also portable choose the Rectangular Portable Picnic Table with Diamond Pattern. It's suitable for any outdoor area and invites families and individuals to pull up a seat and enjoy their lunch in the fresh air. Rather than being fixed in place, the Rectangular Portable Picnic Table with Diamond Pattern can be moved wherever you like during different times of the year whether it's under a shady tree in summer or brought under a covered area during winter. The durable steel construction is covered in a protective layer which can be ordered in a variety of eye-popping colors as well as more neutral tones. The picnic table is highly customizable and we offer two types of finish as well as multiple length options to cater for different uses. These tables can be used for school lunches outside and they're also perfect for outdoor activities such as arts and crafts thanks to their easy-to-clean surface.
