

Rectangular Single Pedestal Picnic Table with Diamond Pattern

\$1,416.⁰⁰

Product Description

Ideal for a range of locations including parks, shared community areas, elementary schools and high school campuses, the Rectangular Single Pedestal Picnic Table with Diamond Pattern can be installed easily and offers a stable surface to eat or play. The strong steel construction ensures the table will last for a very long time and whichever surface you choose gives excellent protection from the weather. This Rectangular Single Pedestal Picnic Table with Diamond Pattern can be purchased with a Standard Finish in a range of eight aesthetically pleasing colors. If you're expecting heavy use then there's an additional five colors to choose from the Extreme Finish range which provides a surface resistant to many types of wear and tear including scratches. The table is easy to wipe clean and will stay looking amazing for many years wherever you decide to place it. There's sufficient leg room underneath and the benches cater for multiple adults or children at the same time, perfect for picnics or other activities.
