Product Description

The Octagon Nexus Pedestal Table with Diamond Pattern is the perfect family gatherer for a park area. Built to endure all outdoor conditions, this table ensures fun times throughout the year. This table can withstand rain, snow, and summer heat without showing signs of wear & tear for years to come. You can just imagine a sunny afternoon filled with kids' laughter while adults enjoy a hearty meal - all gathered around the sturdy Octagon Nexus Pedestal Table with Diamond Pattern. The table's stability comes from a thick square beam at the center. It can handle kids jumping onto and off the bench. The ADA-complaint design makes it roomy enough for everyone. So, wheelchair users can easily enjoy their loved ones' company. The Octagon Nexus Pedestal Table with Diamond Pattern offers different colors and coatings as per your taste. It's also easy to install and makes for relaxed gossip among family & friends. This table invites laughter and connection for 5 to 7 years!
