

Diamond Pattern Round Patio Table with Attached Seats

\$1,240.⁰⁰

Product Description

The Diamond Pattern Round Patio Table with Attached Seats comes with a decorative, eye-catching design. Designed for comfortably seating up to 4, this picnic table is ideal for an intimate gathering of family and friends. A 36-inch diameter tabletop promotes closeness among guests. Its long-lasting quality makes it resistant to wear & tear over long periods. Its lightweight steel surface makes it easily movable, also making it ideal for flexible outdoor seating. Also, the Diamond Pattern Round Patio Table with Attached Seats is easy to maintain, and your park workers won't have to put up with it. Aside from maintenance, it can also withstand various weather conditions. You may place it on patios and backyards. But it's also perfect for private gatherings. The absence of edges in this table makes it safe for kids so they can play around the structure without getting hurt. It is also ADA-compliant and accommodates visitors of all ages, sizes, & abilities.
